The petitioner seeks revaluation of his answer paper for the 7th semester examination of B.Tech. Degree in Electronics and Communication. He complains of delay in completing the revaluation process.

2. The learned Standing Counsel appearing for the University, on instructions, submits that the University would require at least 2 more months' time to complete the revaluation process.

3. Having heard both sides, I direct the respondents to complete the revaluation of the paper for which the petitioner has applied for, and publish the results thereof, as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment.

Writ petition is disposed of as above.
